THE DEMAND FOR GOOD FLOUR. Those who have not given the matter atter tion would be surprised at the large imour city.

Owing to the great variety of wheat grown and the difference in the machinery of the mills and methods of manufactur ing, the quality of flour varies to a remarkable extent; causing great annoyane to bakers and housekeepers.

It requires great skill and long experience to select from the hundreds of brands thrown upon the market, such flour as is really good and uniform in

One of our leading grocery houses he made arrangements to sell in this city a brand of choice white wheat flour at rea sonable prices, the quality of which can not fall to give satisfaction.

Due notice will be given of the arrival of that flour.

duced.
Thousands of persons of all ages can now judges what is the cause of their declining health, losing their view, becoming week, pake, nerous and conactated, having a singular appearance about the oyes, Cough, and Symptoms of Consumption.

YOUNG MEN BOOK AND JOB PRINTING

alone, and several apply immediately.

What a pity that a young man, the hope of his country, he prite of his parents, ahould be snarkled from all prespects and enjoyments of life by the consequences of deviating from the path of ratiare, and indulging in a certain seven habit. Such persons must, before contomphating UNEQUALLED IN THE CITY. Our stock is purchased at the East, at the low

reflect that a sound mind and body are the

DISEANES OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease it too often happens that an ill-timed sense of shas no dread of discovery determ him from applying to those, who from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horried disease make their appearance, such as ulcerated sore threat, diseased nose, noctural pains in the head and limbs, dimness of sight denfines, nodes on the shin-benes and arms, progressing with fightint implicity, till at last the plate of the mouth or the bones of the noce fall in, and the victim of this awful disease becomes abortic object of commisseration, till death puts a period to the frestalful sufferings, by sending him to "that Uniliscovered Country from whence no travoller returns." DISEASES OF IMPRUDENCE. BILLS LADING,
CARDS,
CIRCULARS,

It is a MELANCHOLY, PACT that thousands DRAY TICKETS. ma victims to this terrible disease, owing to the unskillfaliness of ignorant pretenders, who, by the use of that DEADLY POISON, MERCURY, ruln the constitution and make the residue of the DR. JOHNSTON,

OFFICE, NO. 7 SOUTH FREDERICK STREET Left hand side going from Baltimore street, a few doors from the corner. Fall not to observe the LEGICAL PROPERTY OF THE SECOND Par No letters received unless post-pau an containing a stamp to be used on the reply. Persons writing should state age, and send portion of advertisement describing symptoms.

The Doctor's DIPLOMA hange in his office.

INDORSHMENT OF THE PRESS:

INDORSEMENT OF THE PERDOY.
The many thousand cured at this establishment within the last twenty years, and the merous important surplead operations performely Dr. Johnston, witnessed by the reporters of the Sun and many other-papers, notices of which have appeared again and again before the published has familing as a gentleman of characte and respectability, is a sufficient guarantee to the afficted.
